For nearly a century, socially conscious individuals from all walks of life, from all parts of the political spectrum, of all races & religions, have dared to speak out for that which is right and against that which is wrong. They are unafraid to speak the truth. They have all been members of the NAACP. Now you can make a difference too.

The National Association for the Advancement of Colored People, initially called the National Negro Committee, was founded by a multiracial group of activists February 12, 1909.

The NAACP supports democracy, dignity and freedom.

Members of the NAACP stand against all forms of injustice. The NAACP will continue to fight for justice until all, without regard to race, gender, creed or religion, enjoy equal status.
